## DETAILED ACTION

### *Election/Restriction*

1. Applicant's election without traverse of the first species, readable on claims 53 through 57, 66, 69, and 71, in the reply filed on February 5, 2007 is acknowledged.
2. Claims 53 through 57, 66, 69, and 71 are allowable except for the objection due to the informalities as noted below. The restriction requirement between the various species as set forth in the Office action mailed on June 27, 2004, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 58, 60, 61, 67, 68, 70, and 72 through 76 directed to the non-elected species are hereby no longer withdrawn from consideration because the claims requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

### *Ex Parte Quayle*

3. This application is in condition for allowance except for the following formal matters: Claims 66 through 76 are objected to because of the following informalities: these claims contain acronyms (i.e., "HTR" and "HCM1", etc.) as well as material in parenthesis (i.e., "(HTR)" and "(HCM1)"), neither of which is acceptable in claims and must be removed. Appropriate correction is required or else the examiner should be given explicit permission to remove these informalities via examiner's amendment.

Art Unit: 3744

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
